Environmental, Social, Governance and Low Carbon

- Integrated proprietary ESG risk assessment process and low carbon framework.
- Companies with material exposures to businesses considered detrimental to society or environment are removed from the universe, including exposures to tobacco, alcohol, gambling, adult entertainment and weapons, amongst other exposures as determined from time to time by Magellan.
- Companies are reviewed for the materiality of their exposures to environmental, social and governance issues, with assessments incorporated into our perspectives on business risks.
- We overlay our proprietary Low Carbon framework to deliver a portfolio with much lower carbon risk exposure than world markets.
