MAGELLAN HIGH CONVICTION FUND

Responsible Entity's Report

for the year ended 30 June 2020

The Directors of Magellan Asset Management Limited ("MAM") (ABN 31 120 593 946), the Responsible Entity of Magellan High Conviction Fund (the "Fund") present their annual report on the Fund for the period ended 30 June 2020.

1. Directors

The following persons were Directors of MAM during the period and up to the date of this Annual Report:

Name	Directorship	Appointed
Brett Cairns	Chief Executive Officer	22 January 2007
John Eales	Non-Executive Director	1 July 2017
Robert Fraser	Chairman	23 April 2014
Paul Lewis	Non-Executive Director	20 December 2006
Hamish McLennan	Non-Executive Director	1 March 2016
Kirsten Morton	Chief Financial Officer	5 October 2018
Karen Phin	Non-Executive Director	23 April 2014

2. Principal Activity

The Fund is a registered managed investment scheme, domiciled in Australia. MAM is both the Responsible Entity and the Investment Manager of the Fund. The Fund's principal place of business is Level 36, 19 Martin Place, Sydney, New South Wales 2000.

The Fund invests in a portfolio of between 8 and 12 high quality stocks, listed on global stock exchanges, that the Investment Manager considers have sustainable competitive advantages which translate into returns on capital in excess of their cost of capital for a sustained period of time. The Fund invests in a concentrated portfolio of global equities which spans sectors including financial services, consumer and retail, health care, telecommunications, technology platforms, software and internet related products and services. The Fund's portfolio will be weighted towards our highest conviction ideas and aims to achieve attractive risk-adjusted returns over the medium to long term, while reducing the risk of permanent capital loss, managing a higher tolerance in volatility in investment returns, with the ability to manage foreign exchange exposures, in accordance with its investment strategy (as detailed in the Product Disclosure Statement, issued 18 November 2019).

3. Significant Changes In State Of Affairs

There were no significant changes in the state of affairs of the Fund during the period.

4. Review Of Operations

a) Financial Results For The Period

The performance of the Fund, as represented by the results of its operations for the periods ended 30 June, was as follows:

Responsible Entity's Report

for the year ended 30 June 2020

4. Review Of Operations (continued)

a) Financial Results For The Period (continued)

(i) Distribution components for the final distributions, which can be found in the 'Our Funds' section of the Magellan Financial Group Limited ("MFG") website, www.magellangroup.com.au, are as follows:

	Class A Units		Class B Units	
	Final Distribution		Final Distribution	
	30 June 2020 cents per unit	30 June 2019 cents per unit	30 June 2020 cents per unit	30 June 2019 cents per unit
Foreign Sourced Income	0.0009	-	0.0005	-
Capital Gains				
Discounted	2.6363	-	1.6075	-
Other capital gains distribution (CGT concession)	2.6363	-	1.6075	-
Other non-attributable amounts (tax deferred amounts)	0.7265	4.0000	0.2845	2.5000
Cash Distribution	6.0000	4.0000	3.5000	2.5000

The market impacts arising from the COVID-19 pandemic on the Fund, including downward movements in market prices of the portfolio, are discussed in Note 1(g) of the Financial Statements.

b) Total Indirect Cost Ratio ("ICR")

The ICR, for the periods ended 30 June, is the ratio of the Fund's actual management costs over the average portfolio value expressed as a percentage. Management costs, accrued within the Fund's unit prices on a daily basis, include management and performance fees but do not include transactional and operational costs such as brokerage or foreign withholding tax.

	Class A Units		Class B Units	
	2020 %	2019 %	2020 %	2019 %
Management fee	1.50	1.50	0.78	0.78
Performance fee	0.70	1.17	1.17	1.72
Total Indirect Cost Ratio	2.20	2.67	1.95	2.50

c) Performance Returns

The performance returns for the periods ended 30 June shown in the table below have been calculated using redemption unit prices for the Fund, which are after fees and expenses, assuming reinvestment of distributions at exit price. The returns are calculated daily, compounded to produce longer period returns.

	Class A Units		Class B Units	
	2020 %	2019 %	2020 %	2019 %
Growth return ^(A)	2.9	10.7	3.0	10.9
Distribution return ^(B)	3.2	2.4	3.1	2.4
Total Return ^(C)	6.1	13.1	6.1	13.3

^(A) The Growth return is calculated daily as a percentage by dividing the unit price (ex-distribution) by the previous day's unit price (ex-distribution) minus 1; the daily Growth returns are then compounded to produce longer period returns

^(B) The Distribution return is calculated as a percentage by subtracting the Growth return from the Total Return

^(C) The Total Return is calculated daily as a percentage by dividing the unit price (cum-distribution) by the previous day's unit price (ex-distribution) minus 1; the daily Total Returns are then compounded to produce longer period returns.

Responsible Entity's Report

for the year ended 30 June 2020

5. Strategy And Future Outlook

The Fund's investment objective is unchanged and the Fund will continue to invest in companies and businesses in accordance with the investment strategy as set out in the Product Disclosure Statement.

As markets are subject to fluctuations, it is imprudent to provide a detailed outlook statement of expected results of operations. The Fund provides daily unit prices, monthly fund updates and annual investor reports which can be found in the 'Our Funds' section of the MFG website, www.magellangroup.com.au. These Fund updates and investor reports include detailed discussions in relation to some investee companies from time to time along with general outlook commentary.

6. Interest In The Fund

For each unit class of the Fund, the movement in units on issue and the net assets attributable to unitholders are disclosed respectively at Note 8 a) and 8 b) to the Financial Statements.

7. Likely Developments And Expected Results Of Operations

The method of operating the Fund is not expected to change in the foreseeable future however the results of the Fund's operations may be affected by a number of factors, including the performance of investment markets in which the Fund invests. Investment performance is not guaranteed and past returns should not be used to predict future returns.

8. Subsequent Events

Other than the items disclosed throughout this Annual Report, there have been no matters or circumstances arising after the end of the period that have significantly affected, or may significantly affect, the Fund's operations, the results of its operations, or the Fund's state of affairs in future periods.

9. Indemnification And Insurance Of Directors And Officers

The Directors and Officers of MAM, the Responsible Entity, in office are insured to the extent permitted by law for losses, liabilities, costs and charges in defending any legal proceedings arising out of their conduct while acting in their capacity of Directors and Officers of the Responsible Entity, other than for conduct involving a wilful breach of duty in relation to the Responsible Entity.

During the period MAM paid an insurance premium to insure the Directors and Officers of the Responsible Entity. The terms of the contract prohibit the disclosure of the premiums paid.

10. Rounding Of Amounts

The Fund is of a kind referred to in the *ASIC Corporations (Rounding in Financial/Directors' Reports) Instrument 2016/191* and consequently amounts in the Responsible Entity's Report have been rounded to the nearest thousand dollars in accordance with that Legislative Instrument, or in certain cases, the nearest dollar.

11. Auditor's Independence Declaration

A copy of the Auditor's Independence Declaration as required under section 307C of the *Corporations Act 2001* is set out on the following page.

This report is made in accordance with a resolution of the Directors of the Responsible Entity.

Robert Fraser
Chairman

MAGELLAN HIGH CONVICTION FUND

Notes To The Financial Statements

for the year ended 30 June 2020

Overview

Magellan High Conviction Fund (the "Fund") is a registered managed investment scheme under the *Corporations Act 2001*. In accordance with the Fund's Constitution, it commenced on the date that the first unit was issued, on 28 June 2013. The Fund will terminate on the day immediately preceding the 80th anniversary of the Date of Commencement, unless terminated earlier in accordance with the provisions of the Fund's Constitution.

Magellan Asset Management Limited ("MAM") (ABN 31 120 593 946) is the Responsible Entity of the Fund.

This annual financial report was authorised for issue by the Directors of the Responsible Entity on 31 August 2020. The Directors have the power to amend and reissue this financial report.

The Fund is considered a for-profit unit trust for the purpose of this financial report.

1. Basis Of Preparation

This general purpose financial report is presented in Australian Dollars and has been prepared in accordance with the *Corporations Act 2001*, Australian Accounting Standards ("AASB") and Interpretations issued by the Australian Accounting Standards Board, other mandatory professional reporting requirements and the Fund's Constitution. It also complies with International Financial Reporting Standards ("IFRS") as issued by the International Accounting Standards Board.

The Statement Of Financial Position is presented on a liquidity basis. Assets and liabilities are presented in decreasing order of liquidity and are not distinguished between current and non-current. All balances are expected to be recovered or settled within 12 months, except for financial assets and liabilities at fair value through profit or loss. These fair value assets and liabilities comprise mainly investments that are managed based on the economic circumstances at any given point in time as well as to meet any liquidity requirements. Consequently, the investments that may be realised within 12 months cannot be determined at balance date.

All amounts in the financial statements are rounded to the nearest thousand dollars (\$'000) or in certain cases, the nearest dollar, unless otherwise stated in accordance with the *ASIC Corporations (Rounding in Financial/Directors' Reports) Instrument 2016/191*.

a) Accounting Policies

The accounting policies adopted in the preparation of this financial report are contained within the notes to which they relate. The accounting policies are consistent with those of the previous financial period. The Fund has not early adopted any standard, interpretation or amendment that has been issued but is not yet effective.

b) Foreign Currency Translation

The functional and presentation currency of the Fund is the Australian Dollar as determined in accordance with AASB 121: *The Effects of Changes in Foreign Exchange Rates*. Transactions denominated in foreign currencies are translated into Australian currency at the foreign currency exchange rate at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are translated to Australian Dollars at the foreign currency closing exchange rate at balance date.

Foreign currency exchange differences arising on translation and realised gains and losses on disposals or settlements of monetary assets and liabilities are recognised in profit or loss. Non-monetary assets and liabilities denominated in foreign currencies that are measured at fair value are translated to Australian Dollars at the foreign currency closing exchange rates at the dates that the values were determined. Foreign currency exchange differences relating to monetary items, including cash and cash equivalents, are presented separately in profit or loss.

c) Investment Income

Dividend And Distribution Income

Dividend and distribution income is recognised on the applicable ex-dividend/distribution date gross of withholding tax, which is recorded as an expense in profit or loss. Dividends and distributions received are presented net of withholding tax in the Statement Of Cash Flows.

Net Changes In Fair Value Of Investments

Realised and unrealised gains and losses on investments are measured at fair value through profit or loss.

Interest Income

Interest income is recognised on an accrual basis using the effective interest rate method.

d) Expenses

All expenses are recognised in profit or loss on an accruals basis.

MAGELLAN HIGH CONVICTION FUND

Notes To The Financial Statements

for the year ended 30 June 2020

1. Basis Of Preparation (continued)

e) Income Tax

On 5 May 2016, the Attribution Managed Investment Trust ("AMIT") regime was established under the *Tax Laws Amendment (New Tax System for Managed Investment Trusts) Act 2016*. The AMIT regime allows Managed Investment Trusts that meet certain requirements to make an irrevocable choice to be an AMIT. The Fund elected into the AMIT regime effective 30 June 2018.

Under current income tax legislation, the Fund is not subject to income tax provided the Fund attributes the entirety of its taxable income to unitholders.

The Fund currently incurs withholding tax imposed by certain countries on investment income. Such income is recorded gross of withholding tax in profit or loss. The benefits of foreign withholding tax paid, and of imputation credits attaching to Australian franked dividends, are passed onto unitholders.

f) Goods And Services Tax ("GST")

The GST incurred on the costs of various services provided to the Fund by third parties, such as custodial services and management fees have been passed onto the Fund. The Fund qualifies for Reduced Input Tax Credits at a rate of 55%-75% and is also eligible to recover GST on offshore transactions. Management and performance fees and other expenses have been recognised in profit or loss net of the amount of GST recoverable from the Australian Taxation Office. Receivables and payables are stated inclusive of GST. The net amount of GST recoverable from, or payable to, the taxation authority is included in the Statement Of Financial Position as a receivable or payable. Cash flows are included in the Statement Of Cash Flows on a gross basis.

g) Critical Accounting Estimates And Judgements

Whilst the deterioration of market conditions since March 2020 due to the COVID-19 pandemic resulted in a decline in prices of some of the Fund's investments and also some investment portfolio changes, the Fund has experienced very few financial reporting impacts arising from COVID-19. No asset impairments have been recorded as the Fund's investments are classified as level 1 and level 2 in the fair value hierarchy (as defined in Note 6) and marked-to-market with reference to quoted prices on stock exchanges. In addition, expected credit losses have remained unchanged on the Fund's receivables, which comprise interest on cash balances and dividends, as they have since been collected or the counterparties have been assessed to have strong credit ratings. Furthermore, no other material assets or liabilities of the Fund involved forward-looking information or variables impacted by COVID-19.

In preparing these financial statements, the Directors have taken into account the impacts of COVID-19 in making judgements, estimates and assumptions that affect the amounts reported in the financial statements. The estimates and judgements are continually evaluated and are based on historical experience and various other factors, including reasonable expectations of future events. As such, actual results could differ from those estimates.

Where listed equities have no active market the Directors determine fair value with reference to external observable information and conditions existing at balance date. Fair values may however move materially with movements in market prices (refer Note 10 c)). As the investments are valued with reference to the listed quoted prices, the Fund's financial assets are not subject to significant judgement or complexity nor are the Fund's liabilities.

Notes To The Financial Statements

for the year ended 30 June 2020

2. Distributions To Unitholders

	Class A Units		Class B Units	
	30 June 2020	30 June 2019	30 June 2020	30 June 2019
Final distribution payable to unitholders (\$'000)	14,721	12,192	5,129	1,737
Total Distribution To Unitholders (\$'000)	14,721	12,192	5,129	1,737
The total distribution consisted of:				
Income (\$'000)	12,939	-	4,712	-
Return of capital (\$'000)	1,782	12,192	417	1,737
Total Distribution (Cents Per Unit)	6.0000	4.0000	3.5000	2.5000

The final distribution for the period ended 30 June 2020 was paid on 14 July 2020.

Distributions are determined by the Responsible Entity of the Fund and are payable as set out in the Fund's Product Disclosure Statement. Distributable income includes capital gains arising from the disposal of financial assets and liabilities. Unrealised gains and losses on financial assets and liabilities that are recognised as income are transferred to net assets attributable to unitholders and are not assessable or distributable until realised. Net realised capital losses and tax losses are not distributed to unitholders but are retained to be offset against any realised capital gains and future assessable income respectively.

As the Fund has more than one class of units on issue, the distribution amount per unit is calculated by dividing the total Fund distribution attributable to that class by the number of units on issue in that class, at the distribution date.

A distribution payable is recognised in the Statement Of Financial Position where the distribution has been declared but remains unpaid at balance date.

a) Distribution Reinvestment Plan ("DRP")

A DRP operated in the Fund during the periods ended 30 June. Unitholders may request their distributions to be applied as subscriptions for additional units in the Fund at the Issue Price (as defined in the Fund's Constitution). DRP details are as follows:

	Class A Units		Class B Units	
	30 June 2020	30 June 2019	30 June 2020	30 June 2019
DRP issue price (final distribution - units issued 1 July) (\$)	1.9250	1.8711	1.1759	1.1417
DRP unitholder participation rate (%)	21.46	18.80	6.52	6.09
Number of units issued under DRP	1,640,457	1,225,052	283,152	92,736
Value of units issued under DRP (\$'000)	3,158	2,292	333	106

3. Cash And Cash Equivalents

	30 June 2020 \$'000	30 June 2019 \$'000

Notes To The Financial Statements

for the year ended 30 June 2020

4. Statement Of Cash Flows Reconciliation

	30 June 2020 \$'000	30 June 2019 \$'000
a) Reconciliation Of Net Cash Flows From Operating Activities		
Operating Profit/(loss)	32,513	73,598
Adjusted for:		
Net change in fair value of investments	(51,133)	(77,477)
Net foreign exchange (gain)/loss on foreign exchange settlements, derivative contracts and cash	8,659	(5,089)
Changes in operating receivables and payables		
Net (increase)/decrease in receivables	129	(42)
Net increase/(decrease) in payables	(7,153)	6,604
Net Cash Inflows/(Outflows) Operating Activities	(16,985)	(2,406)
b) Non-Cash Investing And Financing Activities		
Distributions reinvested into units in the Fund	2,398	11,098

5. Receivables

	30 June 2020 \$'000	30 June 2019 \$'000
Applications receivable	213	-
Interest receivable	1	101
Recoverable GST and foreign withholding tax	275	304
Total Receivables	489	405

Receivables comprise amounts due from brokers for sales of assets and applications for units in the Fund unsettled at balance date, dividends and trust distributions declared but not yet received, and reclaimable taxes. They are recognised and carried at amortised cost using the effective interest rate method and adjusted for changes in foreign exchange rates where applicable. A provision was deducted from receivables for uncollectible amounts based on expected credit losses. Expected credit losses are calculated as the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Fund expects to receive, discounted at an approximation of the original effective interest rate. The Fund applies the simplified approach for receivables whereby the loss allowance is based on lifetime expected credit losses at each balance date.

Ageing Analysis Of Receivables

At balance date, the Fund's receivables, excluding recoverable GST, were due within 0 to 30 days (June 2019: 0 to 30 days). Recoverable GST is due within 30 to 90 days (June 2019: 30 to 90 days). No amounts are impaired or past due at 30 June 2020 or 30 June 2019.

MAGELLAN HIGH CONVICTION FUND

Notes To The Financial Statements

for the year ended 30 June 2020

6. Investments And Derivatives

The Fund classifies its equity securities, derivative assets and derivative liabilities as financial assets and liabilities at fair value through profit or loss.

The Fund discloses the fair value measurements of financial assets and financial liabilities using a three-level fair value hierarchy set out below to reflect the source of valuation inputs used when determining the fair value as follows:

- Level 1: quoted (unadjusted) prices in active markets for identical assets or liabilities. The fair value of these securities is based on the closing price for the security as quoted on the relevant exchange.
- Level 2: valuation techniques using observable inputs either directly (as prices) or indirectly (derived from prices). The fair value of derivatives is based on a discounted cash flow analysis using quoted market inputs (spot and forward rates, volatility) adjusted for specific features of the instruments and applied debit and credit valuation adjustments based on the Fund's counterparties' current credit worthiness.
- Level 3: valuation techniques using non-market observable inputs.

	30 June 2020 \$'000	30 June 2019 \$'000
a) Investments (Level 1)		
International listed equity securities:		
United States	409,423	531,686
Hong Kong	62,789	-
Germany	39,053	34,218
France	-	34,457
Total Investments	511,265	600,361
b) Derivative Assets (Level 2)		
Forward foreign currency contracts	-	8,064
Total Derivative Assets	-	8,064
c) Derivative Liabilities (Level 2)		
Forward foreign currency contracts	1,857	-
Total Derivative Liabilities	1,857	-

The Fund does not hold any level 3 assets. There have been no transfers between any of the three levels in the hierarchy during the period and the Fund's policy is to recognise transfers into and out of fair value hierarchy levels as at balance date.

Financial assets and liabilities held at fair value through profit or loss are measured initially at fair value, which in the case of the Fund is the transaction price. Brokerage costs are expensed immediately in profit or loss. Subsequent to initial recognition, all financial assets and liabilities classified at fair value through profit or loss are measured at fair value. Changes in fair value are recognised in profit or loss. The net change in fair value does not include dividend or distribution income.

Purchases and sales are recognised on trade date, being the date the Fund commits to purchase or sell the asset. Financial assets are derecognised when the contractual rights to the cash flows from the assets expire or are transferred. A transfer occurs when substantially all the risks and rewards of ownership are passed to a third party. Financial liabilities are derecognised when the obligation specified in the contract is discharged, cancelled or expires.

The fair value of equity securities traded in active markets is based on their quoted market prices at balance date without any deduction for estimated future selling costs. The quoted market price used for securities held by the Fund is the closing price for the security as quoted on the relevant stock exchange. If a quoted market price is not available on a recognised stock exchange or from a broker/dealer for non-exchange-traded financial instruments, the fair value of the instrument is estimated using valuation techniques including recent arm's length market transactions, reference to the current fair value of other instruments that are substantially the same, discounted cash flow techniques, option pricing models or any other valuation techniques commonly used by market participants.

Derivatives are contracts whose value is derived from one or more underlying price, index or other variable. Derivatives are included in the Statement Of Financial Position as an asset when the fair value at balance date is positive and classified as a liability when the fair value at balance date is negative.

Performance fee payable	9 c) ii)	98	7,179
Redemptions payable		181	70
Total Payables		1,063	8,105

Payables comprise trade creditors and accrued expenses owing by the Fund at balance date. Amounts due to brokers relating to the purchase of investments are usually settled between two and five days after trade date. Payables and accruals are recognised at amortised cost, using the effective interest rate method, at the point where the Fund becomes obliged to make payments in respect of the purchase of these goods and services.

Maturities Of Payables

At balance date, all payables mature in 0 to 90 days (June 2019: 0 to 90 days).

The Fund has two separate classes of units, Class A and Class B. Each unit within the same class has the same rights as all other units within that class and includes:

- the right to redeem units, subject to restrictions disclosed in the Fund's Product Disclosure Statements;
- the right to receive a distribution determined in accordance with the provisions of the Fund's Constitution;
- the right to attend and vote at meetings of unitholders; and
- the right to participate in the termination and winding up of the Fund.

A unit, regardless of class, has the same rights and does not confer upon the holder any interest in any particular asset or investment of the Fund.

Notes To The Financial Statements

for the year ended 30 June 2020

8. Net Assets Attributable To Unitholders (continued)

The units issued by the Fund are classified as a financial liability in the Statement Of Financial Position as the Fund has two classes of units that are differentiated by investment minimums, management and performance fees (refer Note 9 c)). As a consequence the two classes of units do not have identical features and meet the definition of financial liability under AASB 132: *Financial Instruments: Presentation*.

Fees are segregated between the unit classes so as not to affect the net asset value of the other unit class in the fund. Distributions will also differ for each unit class and are separately reported.

Applications received for units in the Fund are recorded net of entry fees. Redemptions from the Fund are recorded gross of exit fees. A switch from one class to another class in the Fund is recorded at the full amount of the switch as no entry or exit fees are applied within the fund. The Fund recognises the units issued, redeemed or switched when settled, which is the trade date. Changes in net assets attributable to unitholders are recognised in profit or loss.

9. Related Parties

a) Responsible Entity

The Responsible Entity of the Fund is MAM. MAM is a wholly-owned subsidiary of Magellan Financial Group Limited (ASX code: MFG), the immediate and ultimate parent entity of the Responsible Entity, and both are considered to be related parties of the Fund.

b) Key Management Personnel

Key management personnel ("KMP") are those persons or corporate entities who have authority and responsibility for planning, directing and controlling the activities of the Fund. The Responsible Entity is responsible for managing the activities of the Fund and is considered to be a KMP. The Fund does not employ personnel in its own right.

The Directors of MAM are considered to be KMP. The Directors of MAM during the period and up to the date of this report are: Dr Brett Cairns, Mr John Eales, Mr Robert Fraser, Mr Paul Lewis, Mr Hamish McLennan, Ms Kirsten Morton and Ms Karen Phin. The Fund did not pay any compensation to the Directors of the Responsible Entity.

c) Responsible Entity Fees

Compensation is paid to the Responsible Entity in the form of fees as follows:

i) Management Fees

The Responsible Entity is entitled to receive management fees from the Fund for managing the assets and overseeing the operations of the Fund. Management fees, for each unit class, are calculated monthly based on the Net Asset Value (before fees) of each unit class of the Fund at the end of each month. The management fee for Class A Units is 1.50% per annum and 0.78% for Class B Units. The Responsible Entity pays operating expenses of the Fund, such as audit and tax compliance fees, distribution costs, investor reporting, custody and fund administration costs. Estimated fees are reflected in the daily unit prices of the Fund and are payable at the end of each month.

ii) Performance Fees

Performance fees are calculated on six monthly Calculation Periods ending on 30 June and 31 December of each year. The Responsible Entity's entitlement to a performance fee is dependent on the Fund exceeding both index relative and absolute return hurdles over a given calculation period, as well as exceeding the applicable high watermark and an overall cap.

The performance fee is 10% of the excess return of Class A Units and 20% of the excess return of Class B Units, above the Absolute Return performance hurdle of 10% per annum. Class B Units' performance fee is subject to an additional cap of 2.22% per annum.

Performance fees crystallise at the end of a calculation period or when units are redeemed, subject to a performance fee entitlement existing at the date of redemption. The estimated daily unit price of the Fund includes a performance fee accrual equal to the amount that would be payable if it were the end of a Calculation Period. Further details of the performance fees can be found in the Fund's Product Disclosure Statement.

d) Transactions with Related Parties

The number of units held and related transactions during the period by each KMP, including their personally-related parties, in the Fund is as follows:

	30 June 2020				
	Units acquired ^(A)	Units redeemed	Units held at end of period	%	Distribution paid or payable ^(B)
Magellan Financial Group Limited	Number	Number	Number	%	\$
Class A Units	-	-	21,007,040	8.6	1,260,422

	30 June 2019				
	Units acquired ^(A)	Units redeemed	Units held at end of period	%	Distribution paid or payable ^(B)
Magellan Financial Group Limited	Number	Number	Number	%	\$
Class A Units	1,643,016	-	21,007,040	6.9	840,282
Class B Units	3,963	-	103,963	0.1	2,599

^(A) Includes the re-investment of 30 June 2018 and 30 June 2019 distributions in the periods ended 30 June 2019 and 30 June 2020 respectively.

^(B) Represents the current period final distribution payable, comprising cash paid and DRP units issued.

Transactions between the Fund and related parties are subject to the same terms and conditions as those entered into by other unitholders. Unless specified above, no other KMP held units in the Fund.

10. Capital And Financial Risk Management

a) Financial Risk Management

The Fund's investment portfolio primarily comprises listed equity investments. The investment objectives of the Fund are to achieve attractive risk-adjusted returns over the medium to long-term, whilst reducing the risk of permanent capital loss, in accordance with its investment strategy (as detailed in the current Product Disclosure Statement). The Fund's investing activities expose it to various types of risks including concentration risk, market risk, liquidity risk and credit risk.

Financial risk management is carried out under policies approved by the Responsible Entity. The risk management programme focuses on ensuring compliance with the Fund's Product Disclosure Statement and seeks to maximise the returns derived for the level of risk to which the Fund is exposed.

The following disclosures in relation to the various risks of the Fund's portfolio have been based on the Fund's direct holdings.

MAGELLAN HIGH CONVICTION FUND

Notes To The Financial Statements

for the year ended 30 June 2020

10. Capital And Financial Risk Management (continued)

b) Concentration Risk

Concentration indicates the relative sensitivity of the Fund's performance to developments affecting a particular industry or geographical location. The Fund holds a concentrated portfolio of investments, and the returns of the Fund may be dependent upon the performance of individual companies. The concentrated exposure may lead to increased volatility in the Fund's unit price, and also increases the risk of poor performance.

The Fund's concentration risk is managed in accordance with the portfolio risk controls for the Fund, which are approved by MAM's Investment Committee.

c) Market Risk

Market risk is the risk that the fair value or future cash flows of financial instruments will fluctuate due to changes in market variables such as equity prices, foreign exchange rates, and interest rates.

i) Equity Price Risk

Equity price risk is the risk that the fair value of equities decreases as a result of changes in market prices, whether those changes are caused by factors specific to the individual stock or factors affecting all instruments in the market. The size and diversification of the portfolio is sufficient to ensure the Fund's returns are not overly correlated to a single company, industry specific or macroeconomic risk, but the returns of the portfolio are not expected to be perfectly correlated to any market or sector index. If equity markets as a whole rise or fall by 5%, the return of the Fund may increase or decrease by different amounts.

For illustrative purposes an increase of 5% in the market price of each of the Fund's investments held at balance date, assuming all other variables remain constant, would have had the following impact on the Fund's net operating profit and unitholders' equity.

	30 June 2020 \$'000	30 June 2019 \$'000
Impact on the net assets attributable to unitholders and net operating profit	25,563	30,018

A decrease of 5% in the market prices of each of the Fund's investments would have had an equal but opposite effect.

ii) Currency Risk

Currency risk is the risk that the fair value of financial assets and liabilities will fluctuate due to changes in foreign exchange rates. Assets and liabilities that the Fund may typically own and that can be affected by foreign exchange rate fluctuations include equities listed on foreign exchanges, cash, forward foreign currency contracts, outstanding broker settlements, and outstanding receipts of income from foreign companies.

The Fund may hedge some or all of the capital component of the foreign currency exposure of the fund, arising from investments in overseas markets, back to Australian Dollars. However, there is no guarantee that any or all of the Fund will be hedged at any point in time.

The Fund's total net exposure to fluctuations in foreign currency exchange rates at balance date is:

	30 June 2020 \$'000	30 June 2019 \$'000
United States Dollars	429,891	195,986
Hong Kong Dollars	62,881	-
Euros	39,070	68,684
British Pounds	25	25
Swiss Francs	1	1

MAGELLAN HIGH CONVICTION FUND

Notes To The Financial Statements

for the year ended 30 June 2020

10. Capital And Financial Risk Management (continued)

c) Market Risk (continued)

ii) Currency Risk (continued)

For illustrative purposes the changes in profit or loss and unitholders' equity that would arise from a 5% increase or decrease in the Australian Dollar relative to each currency to which the Fund is exposed, at balance date are as follows:

	30 June 2020		30 June 2019	
	5% increase A\$'000	5% decrease A\$'000	5% increase A\$'000	5% decrease A\$'000
United States Dollars	(20,471)	22,626	(9,333)	10,315
Hong Kong Dollars	(2,994)	3,310	-	-
Euros	(1,860)	2,056	(3,271)	3,615
British Pounds	(1)	1	(1)	1

iii) Interest Rate Risk

Interest rate risk is the risk that the fair value of a financial instrument will fluctuate due to changes in market interest rates.

The primary exposure to interest rates arises on cash balances held by the Fund, which are all held in floating interest rate accounts. Based on the Australian Dollar cash balances and US Dollar cash balances held by the Fund, an increase of 10 basis points in floating interest rates, assuming all other variables remain constant, would have increased the Funds net operating profit and net assets attributable to unitholders at balance date as follows:

	30 June 2020 \$'000	30 June 2019 \$'000
Australian Dollar cash balances	13	9
United States Dollar cash balances	142	54
Impact on net operating profit and net assets attributable to unitholders	155	63

A decrease of 10 basis points in floating interest rates would have an equal but opposite effect on interest income earned. The level of cash held by the Fund may vary from time to time, depending on the level of recent capital flows into and out of the Fund, and on the Investment Manager's judgement. The cash balances held by the Fund at balance date may therefore not be typical of the amounts of cash generally held by the Fund.

The Fund does not hold significant cash balances exposed to interest rates in other currencies and does not have any borrowings or other financial liabilities or assets with direct exposure to changes in interest rates.

d) Liquidity Risk

Liquidity risk is the risk that the Fund will encounter difficulty in meeting obligations associated with financial liabilities on the due date or will be forced to sell financial assets at a value which is less than they are worth.

This risk is managed by the Fund maintaining sufficient cash and cash equivalents to meet its normal operating requirements and primarily holds investments that are traded in active markets and can be readily disposed. The majority of the Fund's equity securities are considered readily realisable as they are listed on stock exchanges around the world.

In addition, the Fund's Constitution and Product Disclosure Statement allow the Responsible Entity to suspend capital withdrawals from the Fund for up to 28 days, at its discretion, if withdrawal requests would require the disposal of 5% or more of the Trust Property of the Fund, the payment of withdrawals would disadvantage remaining unitholders by imposing a disproportionate share of capital gains tax liabilities, or if the Responsible Entity reasonably considers it to be in the interests of remaining unitholders of the Fund.

At balance date, the Fund had an obligation to settle payables (including distribution payable) of \$20,913,000 (June 2019: \$22,034,000) and derivative liabilities of \$1,857,000 (June 2019: nil) within 30 days. The Fund had cash and receivables totalling \$156,112,000 (June 2019: \$63,268,000) and derivative assets of nil (June 2019: \$8,064,000) to cover these liabilities.

Notes To The Financial Statements

for the year ended 30 June 2020

10. Capital And Financial Risk Management (continued)

e) Credit Risk

Credit risk represents the loss that would be recognised if counterparties failed to perform as contracted. Market prices generally incorporate credit assessments into valuations and risk of loss is implicitly provided for in the carrying value of financial assets and liabilities when valued at fair value.

The Fund minimises concentrations of credit risk by undertaking transactions with numerous reputable brokers, and by ensuring cash balances are held with and managed by counterparties that are reputable financial intermediaries with acceptable credit ratings determined by a recognised rating agency. In addition, the credit rating and financial positions of the brokers used by the Fund are regularly monitored to mitigate further this risk. Credit risk relating to outstanding settlements is considered small due to the short settlement period involved.

The Fund uses derivative financial instruments for currency hedging purposes. Derivatives are not used to gear (leverage) the portfolio. The Fund may have credit risk arising from forward foreign currency positions if the market value of those positions is positive (refer Note 6 c)).

The Responsible Entity has appointed The Northern Trust Company ("NT") as the custodian of the Fund. In acting as custodian, NT is required to comply with the relevant provisions of the *Corporations Act 2001*, applicable ASIC regulatory guides, legislative instruments and class orders relating to registered managed investment scheme property arrangements with custodians.

The credit quality of NT's senior debt is rated, as at balance date by Standard & Poor's as A+ and by Moody's as A2 (June 2019: Standard & Poor's as A+ and by Moody's as A2).

At balance date, the Fund's maximum exposure to credit risk is the carrying value of the financial assets recognised in the Statement Of Financial Position.

11. Auditor's Remuneration

The following amounts were paid or payable by the Responsible Entity on behalf of the Fund for services provided by the auditor of the Fund, Ernst & Young Australia:

	30 June 2020 \$	30 June 2019 \$
Audit Services		
Audit and review of financial reports	15,900	15,700
Other assurance services	1,267	1,365
Non-Audit Services		
Taxation	6,700	6,600
Total Auditor's Remuneration of Ernst & Young Australia	23,867	23,665

12. Contingent Assets, Contingent Liabilities And Commitments

At balance date, the Fund has no contingent assets, contingent liabilities or commitments at (June 2019: nil).

13. Subsequent Events

Other than the items disclosed throughout this Annual Report, there have been no matters or circumstances arising after the end of the period that have significantly affected, or may significantly affect, the Fund's operations, the results of its operations, or the Fund's state of affairs in future periods.

MAGELLAN HIGH CONVICTION FUND

Directors' Declaration

for the year ended 30 June 2020

In the opinion of the Directors,

- a) the financial statements and notes of Magellan High Conviction Fund as set out on pages 7 to 21 are in accordance with the *Corporations Act 2001*, including:
 - i) giving a true and fair view of the financial position of the Fund as at 30 June 2020 and of its performance as represented by the results of its operations and cash flows for the period ended on that date; and
 - ii) complying with Australian Accounting Standards, the *Corporations Regulations 2001*, International Financial Reporting Standards as disclosed in Note 1 and other mandatory professional reporting requirements; and
- b) there are reasonable grounds to believe that the Fund will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Directors of the Responsible Entity.

Robert Fraser
Chairman

Sydney, 31 August 2020

Independent auditor's report to the unitholders of Magellan High Conviction Fund

Opinion

We have audited the accompanying financial report of Magellan High Conviction Fund ("the Fund"), which comprises the statement of financial position as at 30 June 2020, the statement of profit or loss and comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.

In our opinion, the accompanying financial report of the Fund is in accordance with the *Corporations Act 2001*, including:

- i) giving a true and fair view of the Fund's financial position as at 30 June 2020 and of its financial performance for the period ended on that date; and
- ii) complying with Australian Accounting Standards and the *Corporations Regulations 2001*.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Fund in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Report and Auditor's Report

The directors of Magellan Asset Management Limited (the "Responsible Entity") are responsible for the other information. The other information is the Responsible Entity's report accompanying the financial report.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Directors for the Financial Report

The directors of the Responsible Entity of the Fund are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine are necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error. In Note 1, the directors also state, in accordance with Accounting Standard AASB 101 Presentation of Financial Statements, that the financial statements comply with International Financial Reporting Standards.

In preparing the financial report, the directors are responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
