The Directors of Magellan Asset Management Limited (ABN 31 120 593 946), the responsible entity of Magellan Global Fund, Magellan Global Fund (Hedged), Magellan High Conviction Fund, Magellan Infrastructure Fund and Magellan Infrastructure Fund (Unhedged) ("the Funds") present their report on the Funds for the half year ended 31 December 2014.

### 1.0 Directors

The following persons were Directors of Magellan Asset Management Limited during the year and up to the date of this report:

| Name            | Directorship                       | Appointed   |
|-----------------|------------------------------------|-------------|
| Brett Cairns    | Executive Chairman <sup>(A)</sup>  | 22 Jan 2007 |
| Hamish Douglass | Chief Executive Officer            | 21 Nov 2006 |
| Robert Fraser   | Independent Non-executive Director | 23 Apr 2014 |
| Paul Lewis      | Independent Non-executive Director | 20 Dec 2006 |
| Karen Phin      | Independent Non-executive Director | 23 Apr 2014 |

<sup>(A)</sup> On 1 January 2015, Dr Brett Cairns became Executive Chairman.

### 1.1 Principal activity

The Funds are registered managed investment schemes domiciled in Australia, with a principal place of business at Level 7, 1 Castlereagh Street, Sydney, New South Wales 2000.

Magellan Global Fund (MGF) is a quality-focused, long-only unit trust that invests in a concentrated portfolio of global equities that spans sectors including financial services, consumer and retail, healthcare, technology and media, industrials and infrastructure. The investment objectives of MGF are to achieve attractive risk-adjusted returns over the medium to long term, while reducing the risk of permanent capital loss, in accordance with its investment strategy as detailed in the current Product Disclosure Statement, issued 16 June 2014 and the Constitution. The capital component of the foreign currency exposure, arising from investments in overseas markets, is substantially unhedged.

Magellan Global Fund (Hedged) (MGFH) has the same investment strategy as MGF, except that the capital component of the foreign currency exposure, arising from investment in overseas markets, is substantially hedged. The investment strategy is detailed in the Product Disclosure Statement, issued 16 June 2014 and the Constitution.

Magellan High Conviction Fund (MHCF) is a quality-focused, long-only unit trust that invests in a highly concentrated portfolio of global equities that spans sectors including financial services, consumer and retail, healthcare, technology and media, and infrastructure. The investment objectives of MHCF are to achieve attractive risk-adjusted returns over the medium to long term, while reducing the risk of permanent capital loss, managing a higher tolerance in volatility in investment returns, with the ability to manage foreign exchange exposures. The fund is targeted towards more sophisticated higher net worth retail investors. The fund's investment strategy is detailed in the current Product Disclosure Statement, issued 16 June 2014 and the Constitution.

Magellan Infrastructure Fund (MIF) invests in listed entities on any stock exchange whose primary business is the ownership and operation of infrastructure assets, such as airports, distribution, toll roads, water utilities, integrated power and communications infrastructure, in accordance with its investment strategy as detailed in the current Product Disclosure Statement, issued 1 January 2015 and the Constitution. The capital component of the foreign currency exposure, arising from investments in overseas markets, is substantially hedged.

Magellan Infrastructure Fund (Unhedged) (MIFU) invests in infrastructure securities listed on any stock exchange. MIFU aims to achieve attractive risk-adjusted returns over the medium to long-term, while reducing the risk of permanent capital loss, in accordance with its investment strategy as detailed in the current Product Disclosure Statement, issued 1 January 2015 and the Constitution.

# Responsible Entity's Report

## for the half year ended 31 December 2014

### a) Financial results for the half year (continued)

Returns have been calculated after fees and assuming reinvestment of distributions, in accordance with IFSA Standard 6.00 Product Performance – Calculation of Returns.

The Total Indirect Cost Ratio (ICR) is the ratio of the Funds' management costs over their average gross assets attributable to unitholders for the calendar year ended 31 December, expressed as a percentage. Management costs include management fees and performance fees but do not include transactional and operational costs such as brokerage or foreign withholding tax. Management costs are accrued within the Funds' unit prices on a daily basis.

### b) Strategy and future outlook

The results of the Funds' operations will be affected by a number of factors, including the performance of investment markets in which the Funds invest. As markets are subject to fluctuations, it is imprudent to provide a detailed outlook statement or statement of expected results of operations. The Funds provide daily unit prices, monthly fund updates and six monthly investor reports which can found in the Magellan Funds section of the Magellan Financial Group Limited website, [www.magellangroup.com.au](http://www.magellangroup.com.au). These fund updates and investor reports include detailed discussions in relation to some investee companies from time to time along with fund outlook commentary.

### 1.4 Interest in the Funds

The movement in units on issue in the Funds during the half year ended 31 December 2014 is disclosed in note 4 b) to the financial statements.

As at 31 December 2014, the net assets attributable to unitholders of each Fund were as follows:

### 1.8 Indemnification and insurance of Directors and officers

The Constitution of the Responsible Entity requires it to indemnify all current and former officers of the Responsible Entity (and where approved by the Directors, employees, former employees and the auditor and former auditors of the Company) out of the property of the Responsible Entity against:

- a) any liability for costs and expenses which may be incurred by that person in defending civil or criminal proceedings in which judgment is given in that person's favour, or in which the person is acquitted, or in connection with an application in relation to any such proceedings in which the court grants relief to the person under the *Corporations Act 2001*; and
- b) liabilities incurred by the person, as an officer of the Responsible Entity or of a related body corporate, to another person (other than the Responsible Entity or a related body corporate) unless the liability arises out of conduct involving a lack of good faith.

During the year, Magellan Financial Group Limited paid, on behalf of the Responsible Entity, an insurance premium to insure the Directors and officers of the Responsible Entity. The terms of the contract prohibit the disclosure of the premiums paid.

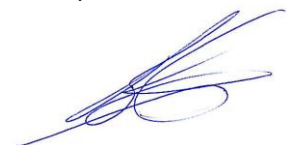

### 1.9 Rounding of amounts

The Funds are of a kind referred to in the Australian Securities & Investments Commission's Class Order 98/100 (as amended) and consequently amounts in the Directors' Report have been rounded to the nearest thousand dollars in accordance with that Class Order, unless otherwise indicated.

### 1.10 Auditor's Independence Declaration

A copy of the Auditor's Independence Declaration as required under section 307C of the *Corporations Act 2001* is set out on page 8.

This report is made in accordance with a resolution of the Directors of the Responsible Entity.

## Auditor's Independence Declaration to the Directors of Magellan Asset Management Limited as the Responsible Entity of Magellan Global Fund, Magellan Infrastructure Fund, Magellan High Conviction Fund, Magellan Global Fund (Hedged) and Magellan Infrastructure Fund (Unhedged), (the "Schemes")

In relation to our review of the financial report of the Schemes for the financial half year ended 31 December 2014, to the best of my knowledge and belief, there have been no contraventions of the auditor independence requirements of the Corporations Act 2001 or any applicable code of professional conduct.

# Notes to the Financial Statements

## for the half year ended 31 December 2014

### 1. Summary of Significant Accounting Policies

The interim financial reports cover the Magellan Global Fund, Magellan Global Fund (Hedged), Magellan High Conviction Fund, Magellan Infrastructure Fund and Magellan Infrastructure Fund (Unhedged) ("the Funds"), as individual entities, for the six months ended 31 December 2014.

The Funds are registered managed investment schemes under the *Corporations Act 2001*. In accordance with the Funds' Constitutions, they commenced on the date that the first unit was issued, which is set out as follows:

| Fund                                    | Date of Commencement |
|---|----------------------|
| Magellan Global Fund                    | 1 July 2007          |
| Magellan Infrastructure Fund            | 1 July 2007          |
| Magellan Global Fund (Hedged)           | 28 June 2013         |
| Magellan High Conviction Fund           | 28 June 2013         |
| Magellan Infrastructure Fund (Unhedged) | 28 June 2013         |

The Funds terminate on the day immediately preceding the 80<sup>th</sup> anniversary of their Date of Commencement, unless terminated earlier in accordance with the provisions of each Fund's Constitution.

Magellan Asset Management Limited (ABN 31 120 593 946) is the Responsible Entity of the Funds.

The interim financial reports were authorised for issue by the Directors of the Responsible Entity on 19 February 2015. The Directors have the power to amend and reissue the financial reports.

#### a) Basis of preparation

The interim financial reports are general purpose financial reports and have been prepared in accordance with AASB 134: *Interim Financial Reporting*, the *Corporations Act 2001* and other mandatory professional reporting requirements. They are presented in Australian dollars. The Funds are for-profit unit trusts for the purpose of preparing these financial reports.

The interim financial reports do not include all the information and disclosures normally included in the Funds' annual financial reports. Accordingly, this report should be read in conjunction with the 30 June 2014 Annual Reports.

#### b) Changes in accounting policy, accounting standards and interpretations

The accounting policies are consistent with those of the previous financial year and corresponding reporting period for the adoption of the new standards and amendments which became mandatory for the first time this reporting period commencing 1 July 2014.

#### i) New and amended standards and interpretations

In the half year ended 31 December 2014, the Funds adopted the following new and amended Australian Accounting Standards and interpretations as of 1 July 2014:

- AASB 2012-3 Amendments to Australian Accounting Standards – Offsetting Financial Assets and Financial Liabilities**

AASB 2012-3 amends AASB 132 *Financial Instruments: Presentation* to address inconsistencies identified in applying some of the offsetting criteria of AASB 132. The adoption of this amendment has not had any effect on the financial position or performance of the Funds nor any additional disclosures.

### 1. Summary of Significant Accounting Policies (continued)

#### b) Changes in accounting policy, accounting standards and interpretations (continued)

##### ii) Accounting standards and interpretations issued but not yet effective

The Australian and International Accounting Standards issued but not yet mandatory for the reporting period ended 31 December 2014 have not been adopted by the Funds in the preparation of these interim financial statements.

The assessment of the impact of the new standards and interpretations, which may have a material impact on the Funds, is set out below:

- **AASB 9: Financial Instruments and AASB 2012-6: Amendments to Australian Accounting Standards – Mandatory Effective Date of AASB 9 and Transition Disclosures (effective 1 July 2018)**

AASB 9 contains new requirements for classification, measurement and de-recognition of financial assets and liabilities, replacing the recognition and measurement requirements in AASB 139 Financial Instruments: Recognition and Measurement. Under the new requirements the four current categories of financial assets will be replaced with two measurement categories: fair value and amortised cost, which are discussed at note 2 k) in the Funds' financial statements for the year ended 30 June 2014. Financial assets will only be able to be measured at amortised cost where very specific conditions are met. At 31 December 2014, no material financial impact is expected on adoption of AASB 9 as the Funds currently classify financial assets and financial liabilities at either fair value or amortised cost and the carrying value of investments measured at amortised cost approximates fair value. The Funds continue to evaluate the impact of this and disclosure requirements.

- **AASB 15: Revenue from Contracts with Customers (effective 1 July 2017) (AASB 15)**

AASB 15 supercedes the revenue recognition guidance in AASB 118 *Revenue*, AASB 111 *Construction Contracts* and related interpretations. Although AASB 15 is principles-based, it is a significant change from the current revenue requirements and will involve more judgements and estimates. The core principle in AASB 15 is that an entity recognises revenue at an amount that reflects the consideration to which the entity expects to be entitled to receive in exchange for selling goods or services to customers.

As AASB 15 was only recently issued, on 23 December 2014, a preliminary assessment of its impact on the Funds has been performed at the date of this report. This assessment has involved a review of the Funds' existing revenue recognition policies to determine whether revenue recognition will be materially affected by AASB 15. The Funds will continue to evaluate the requirements of this standard which will involve a review of the Funds' current contracts and arrangements to determine whether any arrangements qualify as a contract under AASB 15, along with any additional disclosure requirements so as to understand the extent of any impact on the current systems, processes and controls. Based on the assessment completed to date, no material change is expected to the timing or manner of revenue recognition in the Funds as their key revenues, being dividend and distribution income and interest income are excluded from AASB 15.

There are no other standards that are not yet effective that are expected to have a material impact on the Funds in future reporting periods.

#### c) Derivatives

Derivatives are contracts whose value is derived from one or more underlying price, index or other variable. Derivatives that hedge the fair value of the underlying exposure to financial assets denominated in currencies other than the Australian dollar can qualify as a fair value hedge under AASB 139.

### 1. Summary of Significant Accounting Policies (continued)

#### c) Derivatives (continued)

##### *Fair value hedge*

Derivatives that qualify as a fair value hedge, under AASB 139, are measured at fair value. Changes in fair value are recorded in the Statements of Profit or Loss and Other Comprehensive Income, together with any changes in the fair value of the hedged asset or liability that are attributable to the hedged risk. The foreign currency component of the change in the fair value of the hedged asset or liability is offset against the change in the fair value of forward exchange contracts. Consequently, there is no impact on the total "net change in fair value of investments" recognised in the Statements of Profit or Loss and Other Comprehensive Income in the reporting period.

Magellan Global Fund Hedged (MGFH) had derivatives that qualified as fair value hedges, under AASB 139, for the period 1 July 2013 to 31 June 2014. These were included in the Statement of Financial Position as a current asset or current liability as the duration of the derivative, and underlying hedged asset or liability, was less than 12 months. MGFH discontinued hedge accounting from 1 July 2014. Refer to note 5 a) for further details. As a result, prior period comparatives which included derivatives qualified for hedge accounting under AASB 139 are unchanged and derivatives held by MGFH from 1 July 2014, that no longer qualify for hedge accounting are accounted for as set out below.

##### *Derivatives that do not qualify for hedge accounting*

Derivative instruments that do not qualify for hedge accounting under AASB 139 are recognised at fair value and changes in the fair value are recorded in the Statements of Profit or Loss and Other Comprehensive Income and are included in 'net change in fair value of investments'. The derivatives are included in the Statements of Financial Position as a current asset when the fair value at balance date is positive and classified as a current liability when the fair value at balance date is negative.

#### d) Rounding of amounts

The Funds are of a kind referred to in the Australian Securities & Investments Commission's Class Order 98/100 (as amended) and amounts in the financial statements have been rounded off to the nearest thousand dollars in accordance with the Class Order, unless otherwise indicated.

#### e) Critical accounting estimates and judgements

The preparation of the financial statements requires the Directors to make judgements, estimates and assumptions that affect the amounts reported in the interim financial statements. The Directors base their judgements and estimates on historical experience and various other factors they believe to be reasonable under the circumstances, but which are inherently uncertain and unpredictable, the result of which forms the basis of the carrying values of assets and liabilities. As such, actual results could differ from those estimates. The main areas where a higher degree of judgement or complexity arises, or areas where assumptions and estimates are significant to the Funds' interim financial statements, are those set out in note 2 p) of the Funds' financial statements for the year ended 30 June 2014.

#### f) Including different registered scheme financial reports in a single document

The registered schemes have applied Australian Securities & Investments Commission's Class Order 06/441, which allows registered schemes with a common responsible entity to include their financial statements in adjacent columns in a single financial report.

#### Terms and conditions of units

Each unit confers upon the unitholder an equal interest in that fund, and is of equal value to other units in the same fund. A unit does not confer upon the holder any interest in any particular asset or investment of the Funds. The rights of unitholders are contained in the Funds' Constitutions and include:

- the right to redeem units, subject to restrictions disclosed in the Funds' Product Disclosure Statements;
- the right to receive a share of any distribution determined by the Responsible Entity in proportion to the units held on the distribution date;
- the right to attend and vote at meetings of unitholders; and
- the right to participate in the termination and winding up of the Funds.

### 5. Capital and Financial Risk Management

#### a) Market Risk -Currency

Magellan Global Fund (Hedged) and Magellan Infrastructure Fund are managed on a currency hedged basis using forward foreign currency contracts. Magellan Global Fund (Hedged) and Magellan Infrastructure Fund invest into financial assets denominated in currencies other than the Australian dollar, and are therefore exposed to the risk that movements in foreign exchange rates will cause fluctuations in profit or loss. Magellan Global Fund (Hedged) and Magellan Infrastructure Fund use forward foreign currency contracts to mitigate this risk by hedging the underlying exposure to financial assets denominated in currencies other than the Australian dollar.

The Responsible Entity of Magellan Global Fund (Hedged) adopted hedge accounting under AASB 139, from 1 July 2013, to designate some forward foreign currency contracts entered into during the reporting period as a fair value hedge (refer to note 1 c)). The adoption of hedge accounting by Magellan Global Fund (Hedged) did not impact the results reported in the Statement of Profit or Loss and Other Comprehensive Income, however the accounting treatment of the hedging instruments (forward foreign currency contracts) changed from 1 July 2014 and the fair value movements on these derivatives were recognised within 'net change in fair value of investments – held for trading' in the Statement of Profit or Loss and Other Comprehensive Income. At 30 June 2014, the net fair value of the financial assets and financial liabilities being hedged was \$27,987,000, while the principal amount of the forward foreign currency contracts that qualified as fair value hedges was (\$27,964,426). The net fair value of the forward foreign currency contracts that qualified as fair value hedges, at 30 June 2014, was \$221,217. The adoption of hedge accounting for the year ended 30 June 2014, resulted in a fair value net gain arising on the hedging instruments of \$418,867, and the fair value net loss on hedged items of (\$445,215).

Hedge accounting was discontinued by MGFH from 1 July 2014. There were no financial impacts as a result of discontinuing hedge accounting and in accordance with AASB 139 *Financial Instruments: Recognition and Measurement*, the prior year comparatives for the year ended 30 June 2014 are not restated. Rather, from 1 July 2014, MGFH has accounted for all derivatives as derivatives that do not qualify for hedge accounting and in accordance with the accounting policy set out in note 1 c). As a result, the fair value movements on the derivatives from 1 July 2014 are recognised in the Statement of Profit or Loss and Other Comprehensive Income within 'net change in fair value of investments – fair value through profit or loss'. Up to 1 July 2014, the fair value movements on the derivatives were recognised within 'net change in fair value of investments – held for trading' in the Statement of Profit or Loss and Other Comprehensive Income.

Whilst the Magellan Infrastructure Fund also uses forward foreign currency contracts, these derivatives did not qualify for hedge accounting under AASB 139 during the half year ended 31 December 2014.

#### b) Fair value disclosures

The Funds classify the fair value measurements of financial assets and financial liabilities using the three fair value hierarchy set out below to reflect the source of valuation inputs used when determining the fair value:

Level 1: quoted (unadjusted) prices in active markets for identical assets or liabilities. The fair value of these securities is based on the closing bid price for the security as quoted on the relevant exchange.

Level 2: valuation techniques using market observable inputs either directly or indirectly. The fair value of derivatives is based on a discounted cash flow analysis using quoted market inputs (spot and forward rates, volatility) adjusted for specific features of the instruments and applied debit and credit valuation adjustments based on the Funds' or the derivative counterparties' current credit worthiness.

Level 3: valuation techniques using non-market observable inputs.

The following table presents the Funds' assets and liabilities measured and recognised at fair value:

<sup>(A)</sup> All Australian and international equity securities held by the Funds are Level 1 assets.

There have been no transfers between any of the three levels in the hierarchy during the half year and the Funds' policies are to recognise transfers into and out of fair value hierarchy levels as at the end of each reporting period.

The Funds do not hold any level 3 assets.

## Report on the Half-Year Financial Report

To the Unitholders of Magellan Global Fund, Magellan Infrastructure Fund, Magellan Global Fund (Hedged), Magellan Infrastructure Fund (Unhedged) and the Magellan High Conviction Fund (the "Schemes")

We have reviewed the accompanying half-year financial report of the Schemes, which comprises the statement of financial position as at 31 December 2014, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the half-year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration.

## Directors' Responsibility for the Half-Year Financial Report

The directors of the Responsible Entity are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the Corporations Act 2001 and for such internal controls as the directors determine are necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

## Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 Review of a Financial Report Performed by the Independent Auditor of the Entity, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the financial report is not in accordance with the Corporations Act 2001 including: giving a true and fair view of the Schemes' financial position as at 31 December 2014 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001. As the auditor of the Schemes, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

# Independent Auditor's Report

## Independence

In conducting our review, we have complied with the independence requirements of the Corporations Act 2001. We have given to the directors of the Responsible Entity a written Auditor's Independence Declaration, a copy of which is attached to the Directors' Report.

## Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of the Schemes is not in accordance with the Corporations Act 2001, including:

- a. giving a true and fair view of the Schemes' financial position as at 31 December 2014 and of their performance for half-year ended on that date;  
and
- b. complying with Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001.
