2. Participation in the Plan

2.1 General

Participation in the Plan:

- (a) is subject to these Rules;
- (b) is optional in respect of the Cash Distribution and is not transferable;
- (c) is mandatory in respect of the Unit Distribution;
- (d) is open to each Unitholder unless excluded under these Rules; and
- (e) may be varied or terminated at any time in accordance with these Rules.

2.2 Eligibility to participate

A Unitholder may not participate in the Plan unless the Unitholder has a registered address on the Record Date in Australia or New Zealand. Holders whose registered address is outside Australia or New Zealand are not eligible to participate in the Plan where the Responsible Entity determines in its absolute discretion that the making of the offer or issue of Units to them under the Plan is unreasonable having regard to each of the following:

- (a) the number of Unitholders in the place where the registered address of the Unitholder is situated;
- (b) the number and value of the Units that may be issued to Unitholders in the relevant place; and
- (c) the cost of complying with legal requirements and the requirements of any regulatory authority applicable to the making of offers and the issue of Units in the relevant place.

Unitholders who are determined by the Responsible Entity as not eligible to participate in the Plan may, at the discretion of the Responsible Entity, either:

- (d) have any Unit Distribution entitlement paid in cash; or
- (e) have any Unit Distribution entitlement issued in the name of a nominee determined by the Responsible Entity. The relevant units will then be disposed of on the ASX and the proceeds net of any transaction costs will be paid to the Responsible Entity who will then arrange for the payment to be remitted to the relevant Unitholder.

2.3 Discretion to refuse or reduce participation

Notwithstanding Clause 2.2, if the Responsible Entity in its absolute discretion determines that the offer, issue or transfer of Units under the Plan to a Unitholder or the holding of those Units by that Unitholder may:

- (a) be in breach of the law of any place;
- (b) be in breach of a provision of the Constitution;

- (c) prejudice the effective operation of that Plan; or
- (d) otherwise in the opinion of the Responsible Entity be undesirable or impractical, the Responsible Entity may in its absolute discretion:
 - (i) refuse to accept, reduce or suspend the Unitholder's participation in that Plan; or
 - (ii) decline to issue or transfer any Units to that Unitholder under that Plan.

2.4 Discretion to refuse to permit participation

The Responsible Entity may in its discretion, refuse to permit any Unitholder to participate in the Plan where the Unitholder elects to participate in respect of a number of Units which is less than such number as the Responsible Entity may determine.

3. Application to participate

3.1 Notice of participation

Application to participate in the Plan in respect of the Cash Distribution must be made on a Notice of Participation/Variation or such other form as prescribed by the Responsible Entity from time to time.

3.2 Election

A Unitholder must elect in the Notice of Participation/Variation given in respect of any Holding the percentage of Units in that Holding participating in the Plan only in respect of the Cash Distribution. Participation in the Plan in respect of the Unit Distribution is mandatory. If the Notice of Participation/Variation in respect of any Holding does not clearly indicate the level of participation in the Plan for the Cash Distribution, the Responsible Entity may determine, without notice to the Unitholder, such Notice of Participation/Variation to be an application for full participation.

3.3 Limit to participation

The Responsible Entity may at any time by written notice to eligible Unitholders limit participation in the Plan in respect of the Cash Distribution by limiting the percentage of a distribution which may be reinvested under the Plan.

3.4 Commencement of participation

A Unitholder's participation in the Plan in respect of any Holding will commence from the next Record Date following receipt by the Trust's unit registry of a duly completed and executed Notice of Participation/Variation in respect of that Holding.

4. Variation or termination of participation

4.1 Notice of variation or termination

A Unitholder may at any time give a Notice of Participation/Variation to the Responsible Entity in respect of the Cash Distribution for any Holding:

- (a) to increase or decrease the percentage of the Units comprised in that Holding which participate in the Plan; or
- (b) to terminate the Unitholder's participation in the Plan in respect of that Holding.

The alteration or termination takes effect from the next Record Date.

4.2 Increase to full participation

If a Unitholder increases the level of participation in the Plan for the Cash Distribution in respect of any Holding to 100%, all Units comprised in that Holding as at the date of the Notice of Participation/Variation and all Units subsequently comprised in that Holding, including Units issued or acquired pursuant to the Plan, will participate in the Plan in respect of the Cash Distribution.

4.3 Other changes to level of participation

If a Unitholder increases or decreases the percentage of participation in the Plan for the Cash Distribution in respect of any Holding to below full participation, only the percentage of Units specified in the Notice of Participation/Variation in respect of that Holding will participate in the Plan.

4.4 Termination of participation

If a Unitholder dies, participation in the Plan in respect of all of that Unitholder's Units for the Cash Distribution will be terminated upon receipt by the Responsible Entity of written notice of the death. If a Unitholder is declared bankrupt or is wound up, participation in the Plan in respect of all of that Unitholder's Units for the Cash Distribution will be terminated upon receipt by the Responsible Entity of a notification of bankruptcy or winding up from the Unitholder or the Unitholder's trustee in bankruptcy or liquidator, as the case may be. The death, bankruptcy or winding up of one or more joint holders will not automatically terminate participation.

4.5 Reduction or termination of participation where no Notice of Participation/Variation is given

Where:

- (a) all of the Units in a Holding are participating in the Plan for the Cash Distribution and the Unitholder disposes of some of those Units then, unless the Unitholder advises the Responsible Entity otherwise, the remaining Units in that Holding will continue to participate in the Plan;
- (b) a percentage of the Units in a Holding are participating in the Plan in respect of the Cash Distribution and the Unitholder disposes of some of those Units, then unless the Unitholder advises the Responsible Entity otherwise, the same percentage of Units in a Holding will continue to participate in the Plan in respect of the Cash Distribution; and
- (c) a Unitholder disposes of all Units in a Holding without giving the Responsible Entity a Notice of Participation/Variation, the Unitholder will be deemed to have terminated participation in the Plan in respect of that Holding for the Cash Distribution on the last date on which the Trust registered a transfer or instrument of disposal in relation to that Holding.

5. Operation of the Plan

5.1 Application of distributions

Each distribution which is payable to a Unitholder in respect of Plan Units and which is available for payment to the Unitholder will be applied by the Responsible Entity on the Unitholder's behalf in acquiring or subscribing for additional Units.

5.2 Issue or transfer of Units

The Responsible Entity in its absolute discretion will determine with respect to the operation of the Plan for any distribution whether to issue new Units or to cause the transfer of issued Units to a Unitholder, or to apply a combination of those alternatives, to satisfy the obligations of the Responsible Entity under these Rules. If the Responsible Entity determines to cause the transfer of Units to Unitholders, the Units to be transferred may be acquired in the market in such manner as the Responsible Entity considers appropriate, including by appointment of a nominee or trustee to acquire those Units on behalf of the Unitholder.

5.3 Plan Accounts

The Responsible Entity will establish and maintain a Plan Account for each Holding in respect of which there are Plan Units. The Trust will, in respect of each distribution payable in respect of each such Holding:

- (a) determine the amount of the distribution payable in respect of the Plan Units in that Holding to be held to the credit of the Plan Account;
- (b) determine the withholding payments, if any, deductible by the Responsible Entity in respect of the distribution payable on the Plan Units in that Holding, and any other sum the Trust is entitled to retain in respect of those Plan Units;
- (c) determine the maximum whole number of additional Units which may be acquired under the Plan at the Price by dividing the amount standing to the credit of the relevant Plan Account by the Price and rounding the resulting number to the nearest whole number;
- (d) on behalf and in the name of the Unitholder in respect of the relevant Holding, subscribe for or cause the transfer of the number of additional Units determined under Clause 5.3(c) and debit the relevant Plan Account with the total of the subscription or acquisition price payable in respect of the additional Units issued or acquired;
- (e) issue the Units or cause the Units to be transferred to the Unitholder in respect of the relevant Holding and add the number of Units issued or acquired to the total number of Units comprised in the relevant Holding; and
- (f) where rounding of Units has resulted in a residual balance in a Plan Account, any such amount will remain in the Trust.

5.4 Price

- (a) Units will be transferred or issued under the Plan at the Price, which will be:
 - (i) In respect of Cash Distributions: the Net Trust Value per Unit on the date which is 10 Business Days prior to the Payment Date less a 5% discount or as otherwise determined by the Responsible Entity; and
 - (ii) In respect of Unit Distributions: the Net Trust Value per Unit on the date which is 10 Business Days prior to the Payment Date; or
 - (iii) in respect of Cash Distributions and/or Unit Distributions (as the case may be) such other value as determined by the Responsible Entity from time to time.
- (b) The Price will be determined by the Responsible Entity or some other person nominated by the Responsible Entity by reference to information the Responsible Entity approves for the purpose from time to time. Such determination by the

Responsible Entity, or some other person nominated by the Responsible Entity, will be binding on all participating Unitholders.

6. Units issued or transferred under the Plan

6.1 Issues in accordance with the Plan

Units issued under the Plan will be issued in accordance with that Plan's Constitution and, from the date of issue, will rank equally in all respects with existing Units.

6.2 Application for quotation

The Responsible Entity will apply for Units issued under the Plan to be quoted on the Trading Platform as soon as practicable after the date of issue.

6.3 Timing of issue or transfer

Units issued or acquired under the Plan will be issued or transferred on, or as soon as practicable after, the relevant distribution payment date and will be registered on the register where the Unitholder's Holding of Units is currently registered.

7. Plan Statements

On, or as soon as practicable after, each distribution payment date, the Responsible Entity will send to each Unitholder in respect of a Holding participating in the Plan a statement setting out in respect of that Holding:

- (a) the number of Plan Units in that Holding as at the relevant Record Date;
 - (b) the amount of the distribution payable to the Unitholder (less any amounts referred to in Clause 5.3(b)) in respect of those Plan Units;
 - (c) the number of Units transferred or issued to the Unitholder under the Plan and the Price of those Units; and
 - (d) the number of Units comprised in the Holding after issue or transfer of those additional Units.
-

8. Variation, suspension and termination of Plan

8.1 Power to vary, suspend or terminate

The Plan may be varied, suspended or terminated by the Responsible Entity at any time. The variation, suspension or termination will take effect upon the date specified by the Responsible Entity.

8.2 Notice

The Responsible Entity may give such notice of any variation, suspension or termination of the Plan as it considers appropriate. A variation, suspension or termination of the Plan will not be invalidated by accidental omission to give notice of the variation, suspension or termination to a Unitholder or the non-receipt of any notice by any Unitholder and will not give rise to any liability on the part of, or right or action against, the Responsible Entity or the Trust.

8.3 Suspension

Any suspension of the Plan will continue until such time as the Responsible Entity resolves either to recommence or terminate the Plan. If the Plan is recommenced then elections as to

participation in respect of the previously suspended Plan will be valid and have full force and effect in accordance with these Rules for the purposes of the Plan.

10. General

10.1 Commencement and implementation of the Plan

The Plan will commence on the date determined by the Responsible Entity. Subject to the Constitution of the Trust, the Responsible Entity may implement the Plan in such manner as the Responsible Entity thinks fit and may settle any difficulty which may arise either generally or in a particular case in connection with the Plan as the Responsible Entity thinks fit in its absolute discretion.

10.2 Problems and disputes
