About the Magellan Core Global Fund (Managed Fund)

The Fund offers investors an opportunity to invest in an actively constructed, systematically managed and continuously monitored portfolio of 70 to 90 of the world's best businesses, leveraging Magellan's quality investment research capabilities and investment philosophy. The Fund seeks to achieve attractive risk-adjusted returns over the medium to long term through investment in a diversified portfolio of high-quality companies. It is not our intention to hedge the foreign currency exposure of the Fund arising from investments in overseas markets.
