**Magellan Asset Management Limited  
as responsible entity for  
Magellan Core Infrastructure Fund (Managed Fund)**

**About the Magellan Core Infrastructure Fund (Managed Fund)**

The Fund offers investors an opportunity to invest in an actively constructed, systematically managed and continuously monitored portfolio of 70 to 100 resilient global listed infrastructure businesses, ones that meet Magellan's exacting standards and strict, propriety definition of listed infrastructure. The Fund seeks to achieve attractive risk-adjusted returns over the medium to long term through investment in a diversified portfolio of high-quality companies that meets Magellan's strict, proprietary definition of listed infrastructure. Through the application of our definition of infrastructure, we seek to limit external risks, providing investors with a highly defensive and resilient investment exposure. Currency exposure is substantially hedged.
