About the Magellan Sustainable Fund

The Fund offers investors an opportunity to invest in a portfolio of high-quality global companies within a framework that considers Environmental, Social and Governance (ESG) risks. The Fund's portfolio will comprise between 20 to 50 high quality global companies within a framework that considers Environment, Social and Governance (ESG) risks and will also have some exposure to cash. The Fund has dramatically lower carbon risks than global markets and is designed to achieve attractive risk-adjusted returns and preserve capital in adverse markets.
